Description

Pleasant Valley is maintained by the Arizona Pilots Association and the RAF for recreational use. Camping facilities include two shelters, fire rings, and BBQ grills. Use caution for grazing livestock when landing.

See the RAF's website for a PDF on operations at this airport: <https://azpilots.org/pilot-info/backcountry-airstrips>.

Comments

Nice smooth airstrip. No running water. Two steel shelters with picnic tables, a couple of fire rings, and a bbq grill.

Open range - there may be cows on the field. Ranchers were very nice and came over to chat.

Watch out for the very small but very spiky cactus when parking.
