## Description

Sandpoint is a nice strip with fairly active traffic. It makes for a great place to stop and also get cheap fuel! 02 is favored for calm weather. Note that tie-downs can be somewhat limited during busy periods.

The airport is a roughly 25 minute walk to town, but the FBO has bikes and a car available.

Last updated: 2025-09-11 23:45:41 PDT

## Transient Parking

Transient parking is available on the tie-downs along the hangers or by the fuel pumps.

Last updated: 2025-09-11 23:45:41 PDT

## Fuel Location

The fuel pumps are on the east side of the airport by the vehicle entrance gate for the FBO.
