Description

There's lots to do here, if you love the outdoors. There is camping available and extensive network of bike routes, along with rental companies so you don't have to fly your own bikes in.

The airport authority [maintains a website](#) with details for general aviation, including noise abatement procedures.

SLO also has a [tourism site](#) with details on the bike paths, film festival (takes place in late April), and other activities for a weekend adventure.

The [Spirit of San Luis](#) restaurant is located on the field.
