Description

The Rough River airport is located at its namesake, the Rough River State Park. Camping is available on the field or lodging and a restaurant available at the nearby lodge. The river provides fishing options and there are many other activities available in the park too such as disc golf, hiking, tennis, and volleyball. See the state's website for full details: <https://parks.ky.gov/falls-rough/parks/resort/rough-river-dam-state-resort-park>
