Description

Traditionally, Sulphur Creek Ranch was a favorite fly-in breakfast location. Cabins were also available for overnight accommodations. However, in 2021 the Boundary Fire devastated the area immediately surrounding the ranch. The ranch buildings themselves were saved, but the local area was badly damaged. The owners have thus opted to close the ranch until further notice to pilots. See <https://idahoaviation.com/important-information-about-sulphur-creek-ranch/> for more details.
